Office of the R.L.A.

A revised draft notification in place of the one at p.43 is sent herewith.

2. The lists of qualifications at pp.31-35 ante are stated to have been prepared and recognised under the proviso to sub-section (2) of section 13 of the Bombay Medical Practitioners' Act, 1938. The said proviso provides that every person who has not been in practice as a practitioner etc. but has received training in an institution or has passed an examination shall, if such training or examination is, in the opinion of the Board, sufficient to qualify him to practice, be entitled to have his name entered in the Register. Accordingly, the lists at pp. 31-35 ante contain the names of the examinations and the examining bodies and the diplomas and the institutions conferring the same. The intention of Government appears to be that a refugee should at least have passed any of the examinations or should hold any of the diplomas specified in the two lists referred to above. This intention has been made clear in the revised draft. It is sufficient if Schedule A and Schedule B are shown as Part A and Part B of the one and the same Schedule. Schedule at page 35 refers to diplomas and is not to examinations. This has been also made clear in the revised draft. The H. & L.G. Deptt. should verify whether the revised draft carried out its intention.

3. Attention of the H. & L.G. Deptt. is invited to R.L.A.'s opinion No. 2713, dated the 14th March 1940. The list which the Board of Indian System of Medicine, Bombay, is required to maintain by para 3 of the draft G.O. at P.41, will be different from that maintained under section 13(a) of the Act. The G.O. had been amended accordingly.

(1) who are certified by the Refugee Officer, Bombay to be refugees from Pakistan;

and

(11) who-

(a) have passed any of the examination specified in column 1 in Part A of the Schedule held by the institution specified against it in column 2 thereof, or

(b) hold any of the diplomas specified in column 1 of Part B of the said Schedule conferred by the institution specified against it in column 2 thereof;

Schedule

Part A.

(Here insert A. A on pp. 31-33 '33)

Part B

(Here insert B. B on p. 35).

By order of the Governor of Bombay,

Local Dentist's

Under clause (i) of rule 53 of the Bombay Medical Practitioners' Rules, 1939, officials are entitled to travelling allowances as well as the halting allowances, as prescribed therein. Under the proposed new clause (ii) non-official members are entitled only to travelling allowances according to the scale laid down therein. The concession of halting allowances which was admissible to non-official members under the superseded clause has been deliberately withdrawn from them. The existing N.B. below the said clause (ii) laying down the circumstances under which a halting allowance is admissible is no longer appropriate or necessary and may be deleted therefrom.
